

Dear Joint Committee on Financial Services Member,

Thank you for taking the time to review the issue regarding the reimbursement rates for labor by insurers to claimants in the Commonwealth.

I am an employee of an auto body shop, who is, and has been, negatively affected by a labor reimbursement rate which has increased a total of \$10 over the last 34 years. I would like to request that HB 1111 and all other bills dealing with collision labor reimbursement rate, be voted on favorably.
